Dear Sisters and Brothers:

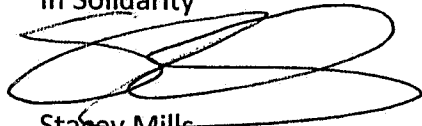

The grievance department is happy to inform our activists that we will be offering a course on how to file a grievance to be successful at Arbitration. Facilitated by Sister Stacey Mills, and Sister Donna McDonald Grievance Department.

With the fight ahead we want to make sure that our activists have the knowledge and power to fight the boss.

There will be lunch provided, but no lost wages will be paid.

Fill out the application on the back of the form and have it sent it by October 18th at noon.
