

YOU DON'T HAVE TO PANIC BE SAFE

Sisters and Brothers:

In this time of uncertainty and fear, please do your best and try to be safe.

The Toronto Local is in contact via teleconference with Senior Management to stress the safety issues for our members. The Union is trying to enforce Management's compliance in accordance with Health and Safety and the law.

You have protections negotiated by the CUPW National Office for Quarantine leave, child care and eldercare leave and other special leave such as underlying medical condition, or for those member's 70 years of age or above, and for maternity.

We the Union cannot stress enough, if you feel ill, if any member of your family has tested positive for Covid 19 **do not come into work**. Contact your team lead by phone and Telehealth Canada and follow the instructions given.

You should also reach out to our Covid Committee 416-712-0479 or email your concerns to covcomtorloc@cupw-sttp.ca.

Members have to take control of their own safety by practising physical distancing at least 2 metres from others, wash your hands often, use hand sanitizers, avoid touching your eyes, nose or mouth with unwashed hands.

Coronaviruses are one of the easiest types of viruses to kill with the appropriate disinfectant product, and following safe procedures.

In Solidarity

Qaiser Maroof

CUPW Toronto Local President

Adele Chaplain

Toronto Local 1st Vice President
