

# GATEWAY EAST STAFFING CONSULTATION

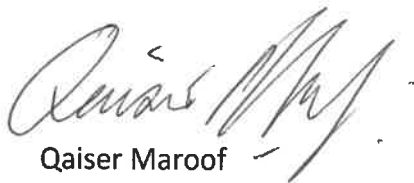

Sisters and Brothers:

The Local and Regional Offices met with the employer to discuss staffing changes for the Gateway East. After many discussions the following has been agreed to:

- 1) There will be a full staffing compliment before any bids.**
- 2) The July monthly bid will be posted for all employee's to bid on.**
- 3) The section bid for Gateway East will be conducted after the monthly bid.**

The Local continues to fight on your behalf to ensure the full benefits and entitlement for all members.
